

NEARLY OPERATION OF PARCELS POST

Railways Get Two Million For
Carrying Letters, Ask Four
Million More

RATES TO BE CHARGED
ARE NOT YET FIXED

Expected New System Will be in
Operation by the Middle of
January

By Bulletin Leased Wire.
OTTAWA, Nov. 27.—Hon. Mr. Pelletier, minister of railways, gave out an official statement regarding the parcels post to the Conservative papers today. He stated that everything was in readiness for putting parcels post into operation.

All arrangements for collection and delivery had been made, and the only difficulty which had not yet been removed was brought forward by the railways. At present the railways are getting \$1,000,000 per annum for the carrying of the mails. They are asking \$4,000,000 to carry parcels.

Loss In Express Business.

It is understood that the difference of \$3,000,000 represents the amount which the companies will lose in express business. Because the question of payment to the railways for the carriage of parcels has not yet been fixed, it has been impossible to decide the postage rates which will be charged.

However, the collection and delivery has been worked out. First of all it will be local routes, in which the minimum charge will be made. These local routes are divided into two classes of a twenty mile radius. For instance Ottawa will be the centre of a zone of a twenty mile radius. Within a twenty mile radius the minimum charge will be made. After this there will be provincial zones. There will be the mailing provinces, Quebec, Ontario, Manitoba, and the western provinces to the coast.

The next higher rate will be charged on the coast. Then there will be the inter-provincial, or national zones. The rate of a parcel sent from Ottawa to Vancouver, a small additional charge will be made. For every zone the parcel passes through.

Railway Question Yet.

As said above, the question can not get into operation in ten days, but the question of railways has yet to be settled. The postmaster general expects that this difficulty will be disposed of shortly. It is expected that the new system will be in operation not later than January 1, as is usual. Holidays and other new year festivities render it advisable to wait for a week or two and no parcels will be expected to be in the system some time in January. There is to be another conference with the railway representatives tomorrow.

Oil Land Excitement Continues; 100 Claims Filed Upon Yesterday

Many Arrived in City Last Night and Will Take up Claims Today
—Land Right up to Limits of the Town of Athabasca Has
Been Staked—Party Came in From North Last Night

Oil claims on approximately three hundred thousand acres have been filed within the past two days at the Dominion Lands Office in the city.

There were forty-seven claimants on Wednesday, and slightly over one hundred yesterday, and the end is by no means in sight, as the number of claims filed in the city last night from Athabasca for the purpose of filling an unreserved territory.

Most of the people who have made applications up to the present, are Edmonton residents, although there were a few from Athabasca and the vicinity who had taken place in the oil land, and who were expected to be left "when there was anything good going" as one of them put it. Nearly all the surveys are immediately north of Athabasca, and right up to the town limit, in black shale.

Some Have Detailed Information.

That the mere option of the fortune-seekers that there is oil in the area, is not the only reason for the unexpected rush, but that certain parties have definite information which might result in a big strike, seems to be indicated by the attitude of some of the claimants.

Two homesteaders, James Galsen and Andrew Edwards, living some distance from Edmonton, who filed yesterday, told a Bulletin man that they had been very successful in their search for oil. They had been told that the area was rich in oil, and they had been told that the area was rich in oil.

Real Reason May Come Out Today.

For the mere option of the fortune-seekers that there is oil in the area, is not the only reason for the unexpected rush, but that certain parties have definite information which might result in a big strike, seems to be indicated by the attitude of some of the claimants.

To Edmonton belongs the honor of having started what will no doubt be a permanent feature of the Canadian American Club. While the movement is a new one, it is one of the most significant. The club has given the city a new significance. As the banquet at the Empire Hotel last night testified, the club has given the city a new significance.

Club's Rapid Growth.

AROUND THE CITY

(From Evening Edition)

Local Orange Lodge No. 1454, meets tonight in the south gate Orange hall at 8 p.m. The annual election of officers will take place and the third and fourth degrees will be conferred. Members are specially urged to attend and visiting brethren will be welcomed.

Funeral of Child—The death of Mary Frances Brice, the three year old daughter of Frank Brice, 1155 Twenty-fifth street, occurred in the city yesterday afternoon. The funeral took place this afternoon from McCoppin and Lambert's parlors to the Edmonton cemetery.

Y.M.C.A. GYMNASIUM TEAM

The gym team of the Y.M.C.A., which has been recently organized, are putting on their first performance on Saturday evening, Nov. 29th. While the gym team has charge of the performance the evening's entertainment will consist of the following events:

- 1—Exhibition by the gym team on the high bar, parallel bars, horse and maul.
- 2—Basketball game, University vs. McDougall senior division.

3—Volleyball game. Junior built men vs. youth men.
4—Exhibition by the gym team.
5—Mass drill by the young men's club.

The personnel of the gym team will be as follows: H. R. Alexander, captain; H. P. Roche, manager; C. McPherson, Minkley, Cook, Carleton, Gordon, Hunter, Newell, and Morgan.

The basketball game promises to be one of the best of the season since the university have a good team which has been running into shape in their new gymnasium.

The other features will also be very interesting, and a good night's entertainment. Besides the show, the team and promises to be at his best.

THE PRODUCE MARKET

Although moose are a common feature on the market these days, they never fail to attract attention, and today many passers-by stopped to look at the interesting crowd which inspected two fine specimens brought in by L. Deschamps, of Burnhamthorpe.

Due to the difficulty of sale, and other causes show little variation from late prices. It may be noted, however, that the price quoted for beef quarters is a rather rare one, and that the price and later in the day a cent or two less is often accepted.

Beef quarters per lb. 11 1/2 to 12 1/2
Dressed loins per lb. 11 1/2 to 12 1/2
Beef, per lb. 10 1/2 to 11 1/2
Pork, per lb. 10 1/2 to 11 1/2
Butter, per lb. 24 to 25
Eggs, per dozen 24 to 25
Timothy hay, per ton 115 to 117
Oats, per bushel 12 to 13
Coal per ton 11 to 11 1/2

BREACHES OF MOTOR ACT.
P. E. McDonald of this city was convicted on two charges in the police court this afternoon for breaches of the motor act. In the first case he was fined \$25 and costs for driving an auto without a light on Nov. 15.

On the second count a fine of \$25 and costs was imposed for reckless driving. The case was brought on the dispositions of Mrs. Hall, a farmer's wife who resides between this city and Ft. Saskatchewan. It would appear that on the night in question she and her husband were driving home from the city when the auto the accused was driving ran into the rig occupied by the couple.

As a result of the accident it is stated there is a strong probability that Mrs. Hall will never again have the use of her left limb.
Mr. McCaffery, who prosecuted, stated that there was a penitence action against Mr. McDonald for compensation for injuries. G. E. Winkler appeared for the accused.

LADY CLERK'S MISTAKES.
H. O. Dodge was committed for trial in the police court this morning on a charge of the theft of \$34 in cash and a 12 1/2 inch from the "Confessionary" store. The charge was brought by Detective Krohn, who arrested the man yesterday.

Information given by Miss Coll, who is employed in the store, that from the evidence it appeared that the accused was in the store with two other men on November 17. While attending to a customer Miss Coll heard the safe "click" as it opened, and, going to see, she found that the men had left and that the cash and the check had gone.

Miss Coll was riding in a street car yesterday afternoon when she recognized the accused as being one of the men in the store that day. She notified the detective and the arrest was made.

UNIVERSITY NOTES

Philosophical Society.
The regular student meeting of the University Philosophical Society was held last Tuesday in Auditorium 10, when Miss C. W. Dyke read a paper on the "Philosophy of Music." The address proved very interesting and suggestive. A large number of members attended, and some bright discussion followed Miss Dyke's reading.

Basketball.
At 8 p.m. the basketball schedule was working, and the different student teams are at work every afternoon. An inter-collegiate league will be arranged shortly.

New Scholarship.
Through the kindness of Mr. E. T. Enoch, a special prize of \$200 is offered to the student who shows the greatest creative faculty in the department of English. This is not a regular annual scholarship, and will not necessarily be awarded each year unless high qualification is evident. Mr. Enoch's kindness is greatly appreciated, the more so since the number of scholarships and prizes which is available for the students is as yet extremely limited.

President's Absence.
President Tych expects to leave on Monday for the East. He will visit Washington and Eastern cities in connection with the work of our university.

University Service.
Last Sunday, Rev. F. W. Patterson, of First Baptist Church, addressed the students. Professor McEachern read the service, and the Apollo Quartette furnished special music. Next Sunday, Dr. Armstrong, of Methodist Church, will preach. President Tych reading the service.

Boys Prepare Musical.
The Male Glee Club is undertaking the preparation of a real musical show, to be given some time early in February. A committee is working on the programme, which will consist of three parts—a "class" musical, a song, some burlesque sketch and a song musical number. A great deal of interest is being shown and it will undoubtedly be a success.

Second Debate

The second of a series of debates for

class championship will be held next Friday evening at 8:30 in the English room, under the auspices of the Literary Society. The Freshman and sophomore years will debate the subject of "Home Rule." The sophomores will be represented by Messrs. McPherson and Ainsley, while Messrs. Montgomery and An Oiler will represent the Freshmen. The subject of this debate will meet Messrs. Montgomery and Ainsley, who were defeated last year. The junior is cordially invited to attend the debate. The first meeting of the Mathematical Club will be held on Friday after

Good Health Means Success; Disease Is the Great Handicap

Why Continue to Suffer When the Human Bake Oven, a Modern Treatment Employed at the Edmonton Sanatorium, 634 Fourth Street, Will Master Your Ailment?

There is an ancient Arabian proverb which reads:

"He who has health has hope, and he who has hope has everything."

Thus, good health means success. Sick folk cannot do their best; they are not at their best.

Man and woman suffering from rheumatism and other disorders, due to bad blood and poor circulation, cannot do justice to themselves in any capacity. Their earning power is limited; they are handicapped, to say the least.

Taking it from the personal viewpoint alone, most men cannot afford to be disabled by disease.

Only if to themselves and to their families to be restored to health as quickly as possible, and at reasonable cost, consistent with expert treatment.

That is where the modern methods practised at the Edmonton Sanatorium, 634 Fourth Street, by the use of the Human Bake Oven, have demonstrated their value.

The treatment has been taken by thousands of men and women in various parts of America, and their signed statements, copies of which are on file in the office of the superintendent in charge here, indicate that they were benefited and restored.

Read what Homer Williams, a resident of Colorado, has to say about the Human Bake Oven treatment in eradicating rheumatism:

"I suffered with rheumatism for about ten years. Sometimes every joint in my body ached. I could not do any work. I am employed in the Coleman coal mine, and of course, this work was bad for a man in my condition. I had lost of time and money on account of rheumatism."

"I heard of the workings of the Human Bake Oven, and several people from Colorado were taking the treatment, and decided that if one went and was cured, then the rest would follow."

"Now I am here to say that after seven treatments in the Human Bake Oven I have every reason to believe I am cured. The pains are gone, the stiffness is gone, and I feel like a new man. I only feel like going to work now, even feeling of course, as I do, a chronic rheumatism."

The Edmonton Sanatorium is equipped to handle the most obstinate cases. No charge is made for consultation. There are trained nurses in attendance for women and children. It does not cost you a penny to investigate.

THIS NOMINATION COUNTS 1,000 VOTES—Only one nomination to be credited to each contestant. Under no circumstances will the nominator's name be stricken.

EXTRA SPECIAL OFFER

Six beautiful pancake enlargements, handsomely framed in Ciresian walnut, value \$5 each, will be given to the six leaders in the contest this week.

The A. T. Bridgman Studio, which has been designated to act as official photographer for the contest, has offered this additional inducement to contest workers.

All contestants are urged to visit the Bridgman Studio, 10526 Jasper Avenue West, Alberta Block, and have their pictures taken at once for reproduction in The Bulletin. No charge will be made for the sitting and from these negatives the Bridgman Studio will make the enlargements for the six workers who have the best record for the week.

DAILY SPECIAL PRIZES

A \$2 box of Brown's delicious assorted chocolates will be given every week day until December 18 to the contestant who turns in the most money for the day. These chocolates are from Brown's Confectionery, in the Brown Building, next to the Pentages Theatre.

OTHER DISTRICT PRIZES

Five Montreal Trips, each
2 Alberta College Scholarships, each
Two Diamond Rings, each
